## Emperor Liang Jeweled Repentance & Ksitigarbha Bodhisattva Bardo Deliverance

April 15 ~ April 22

Conducted by Master Lianchi & Master Liant sai

Bowing to 《Emperor Liang Jeweled Repentance》 is a way to show filial love and appreciation of oneself to the present and past lives parents and ancestors. Through the grace of dharma from Repentance event, the deceased will be expiated from their sins, thus release them from the lower realms. This is also an ideal way for a living person to make peace with one's spiritual enemies and debtors.

The great vows of Ksitigarbha Bodhisattva will ascend the deceased (ancestors, attached spirits, etc.) to the Pureland or higher realms once their sins have been purified. Joss papers offering is a bonus way to help promoting the harmony between oneself and his/her karma connections. Offering joss papers to your spiritual debtors help repaying your negative karma. Offering joss papers to your ancestors help improving their spiritual status.

May everyone benefit from this event !
