Lian-Sheng to Bless the Event!

According to Buddha's teaching, by making great offerings to the temples and the Assembled Sangha of ten directions on the 15th day of Pravara Day, could generate a great force of merits. Such merits could be beneficial in improving the status of our living parents as well as our seven past lives parents.

The Ullambana festival will benefit all sentient beings. We welcome all to attend the events to receive the blessings.
